“ I have so many good memories with Grandpa Jack. My favorite is how he always seemed to be making a joke so good that he laughed until he cried. I will remember him for his kindness, consistency, and gentle spirit. He is already deeply missed.

“ So many wonderful things to say about Jack. He was a sweet man with a contagious smile. His laugh was the cutest and he was never in a bad mood.

My family and I have created some awesome memories in the last several years with our visits to FL. One that will always stand out to me is Jack's love for his Donna Jean 💕. They took such good care of each other and he loved her so. Matt and I strive to have that love and respect in our marriage. They have been an amazing example for us.

His great granddaughters have a few memories to share.

He was a sweet man. I will always remember the ducks in his backyard and playing the piano when we visited.

Luna (3)

I remember swimming

Thanks to COVID Jack wasn't able to meet Leo (1) in person, but we will make sure he knows his great grandpa.

We will miss him.

“ Jack will always be a role model for me, because he was such a warm and caring person. Jack never said an unkind word about anyone to me, and I really aspire to be that kind of a grandfather some day. My family loves him dearly, and I feel very fortunate to have had him in our lives. I will miss him.

“ Jack was my step-father. He was such a sweet, kind man. He was a lot of fun also with a quick wit. He always made me feel like his daughter, and my husband, Walt, always enjoyed spending time with Jack. He will be missed by our children and grandchildren as well. When I think about all the people that he’s influenced in his life, I am amazed and grateful. I can hear God saying to him, “well done, good and faithful servant.” Rest well, Dad. Your daughter, Sherry.
