“ Words can not express the loss of this wonderful man. He was my step dad, but I always thought of him as my dad, no step in it. He treated me and the rest of my siblings as his own. God took home someone that I will always look up to. I did not get to see him and my mom as much as I would of liked,, life happens. He was type of person that would give you the shirt off his back, hard working man. Loved his family. And I Love him.
