“ To my beloved son. I miss you so much.
Some days its hard for me to
Even breathe without you being here with me.
I never knew you could love someone so
much and bare the pain of letting
Them go. I'm trying hard to accept our fate, understanding there
was
An appointed time for you to be born and a time for you to die.
You will always be a bright star eyes and light in my heart for ever.
I love you know and even in my death. Mommy
