“ Fred was a Godsend to me, Mike and the rest of the family. Always had encouraging words, man of prayer and full of laughter when we needed it most. A true friend from the get go. I will miss the lunches, phone calls and prayer. Give Mike a hug and a high5 for us.

I have many stories but the one that stands out the most was when I got a call that Mike was being taken to the hospital, I couldn't get there fast enough so Fred went and took charge until I could. Well I knew that would be trouble (the good kind of you ever saw those two together). By the time I got there, the jokes were flying, could hear laughter down the halls. He always made a potentially bad situation, a hilarious one. After all, laughter is good for the soul.
