“ As first cousins, Janet and I had many crazy adventures together while growing up. There were a bunch of us who were fairly close in age whose parents were siblings and we all had many laughs and fun times whenever everyone was together.

*I am so sorry that such a wonderful person had to suffer so long with this awful disease and pray that she finally has the peace she deserves. Our love to Jim, her brother Skip and sisters Pat and Debbie and her children Tim and Kim.*

*We are so fortunate to have these memories so that we will never forget Janet and her infectious laugh and gorgeous smile.*
