

Janice L Savage

April 20, 1955 - July 29, 2015

Janice L. Savage, 60
April 20th, 1955 - July 29th, 2015

Janice passed away peacefully surrounded by family on July 29th, 2015. This guest book is used to remember Janice, please feel free to post condolences to the family, memories of Janice and encouraging words. Private Services will be held on Saturday August 1st, 2015.

To everyone who knew Janice she was a guiding light. She set the example of what a good wife, mother, sister, aunt and friend should be. She always did her best to be patient with all of us, and at times that was no easy feat.

She always saw the good in people, and if she saw the bad, she certainly didn't point it out. If you needed her, she was always there and asking what she could do to help. Janice was there for all the highs and lows of her friends and families lives.

We will miss her and remember her smile, her contagious laugh, watching her shoot her BB gun at the hanging targets in the yard, how she would light up when walking around an arts/craft fair, enjoying nature, her orchids and the ducks on the lake.

We look forward to reading and sharing your memories about Janice, Wife, Mom, Sister and Friend.

“ I knew Janice from work and I wanted to share my friendship with Janice. I worked over nights in the ER and she worked over night in the OR. We both smoked and would take smoke breaks. We quickly became good friends. Having breakfast, etc. She was the most genuine person that I know and I love her so much. A few years ago when my sister was dying she could see how bad I wanted to be with her and bought my train ticket to see my sister before she died. She let me cry in the phone to her for what seemed like hours when I got there and realized how bad my sister was. When I returned I tried to give her the money back but she wouldn't have it. That is the kind of person she was, caring to a fault, a great friend and listener and could make you laugh so much. I can still here her laugh. I love you Mrs. Janice, may you have peace and party hard until we all meet again! I love you!!!

“ I will always remember Janice fondly for her kindness and the special love she held for her sons, Nick and Jeromy. They were her pride and joy. She loved her family...when grandpa Raul had his accident, she arranged to assist with his surgery. During his post-op and recuperation period, she visited him regularly to make sure he received the best care. I will always be grateful for the love she shared. She was a good person who loved nature, the simple things in life, and most of all her family.

“ Although I haven't seen Janice for many years, I have so many great memories of her and her family. They were a large part of my life in my 20's. I remember the arrival of her two sons, Nick and Jeremy, and what a wonderful mother she was. My thoughts go out to Nick, Jeremy and all of Janice's family.

“ *The Curtis family was beyond blessed to have Janice as our daughter's Mother-in-Law. She loved Ashlie like her own. She welcomed all of us with "open arms" as we came together as a family. While we did not see each other often, it was incredibly comforting to know that our daughter was loved by this very special lady. And, what an amazing job she did in raising two fine sons, one of which is our incredibly special son-in-law, Jeromy. Our hearts go out to the loved ones left behind but I cannot help but feel comforted in knowing that Janice is soaring above us all free of any further pain. We will miss her tremendously but will never ever forget her carefree spirit and her sassy little "self". Little Lilly Pearl will grow up with MiMi's angelic wings surrounding her.*

Love, Vicki and Jamie
