“ I met Jason when he was 15 years old. He had this aura around him that made you want to smile. I wanted to see the world the way he did- as a loving and kind place where everyone was pleasant and friendly. He brought a light into the world! The world's a little dimmer now, but I'm blessed to have known such an amazing person!

“ Jason, Courageous, Kind, Loving, Stubborn, Funny, Beautiful. I could go on and on. Most importantly Jason was a teacher. He taught us all to be grateful for what we had been given; to accept the trials found in our paths; to face each day with a smile and share it with all we encounter. He has made me laugh, he has made me cry, and he has made me wonder for many years. I will never forget him. For his family, I have waited as each of you have for this inevitable loss. Somehow it didn't seem like it was believable yet here we are now without this angel on earth. We must honor his memory and take his qualities with us as we continue onward. Share his love with the world and each other. My favorite Jason memory is when he sang these words." if I can see it, then I can do it. if I just believe it there's nothing to it. I believe I can fly, I believe I can touch the sky. I think about it every night and day, I spread my wings and fly away" I know he is soaring with the angels. This I learned from my favorite neighbor and friend. We'll miss you Buddy.
