My dear sweet Ally Cat, If tears could build a staircase, I would make one & bring you back home to us. But I know that you are in the arms of our loving Jesus & all your pain & suffering is gone. I will remember all the wonderful times & fun the 3 of us had, you, Aunt Joan & me. You were the first to leave our trio but you will always & forever be in my heart. I wish I could hug you one more time. I love you, your niece, Toddler

I really enjoyed getting to know Jim and Jean over the years. They treated me like family and I truly was honored. After I moved up to the mountains, I still saw them in Erwin when they would come up with Jennifer during the fall. Those memories spending time with Jean and Jim will be times I will always treasure. I will miss seeing Jean but I know she's in God's hands now and is finally at peace. She fought a valiant battle with grace and dignity. I am so glad I got to see her one last time this past February in Lakeland. May you rest in peace sweet Jean💕💕
