“ Jenna I remember so well when you would come to Zoe's and pick up 5 or 6 women and take them to your shop giving them a day of beauty and fellowship. So many women came through Zoe's to your shop and you made them feel like women again. You made a difference in lives and I'm so grateful to know you. Rest with God sweet woman. I'll see you again at that great meeting. Until then, rest in His love.

“ Jenna - bright and beautiful!

*The last time I saw Jenna was at Salon Rootz. I had gone in for some pampering and she was working on a detailed project for a family friend. We chatted about trends in the beauty business and discussed ways to attract new customers. It was what we always talked about. She was so happy to be doing meaningful work in a beautiful salon that she loved.*

*We are heartbroken over this loss. The love remains.*
