“ I was a student at Bartow and he was my ROTC instructor. I moved away and so regret not getting to see Sgt Frier which he allowed me to call Uncle Jesse. He is one of the best memories I had and because of him helped me become better at just knowing I could be me and feel good. It was so much fun from teaching me repelling, how to talk in front of people, laughing while learning, Uncle Jesse will always be in my Heart, and will continue to be shared. He even talked my Mom into schapperoning, and that was just so Great my Mom enjoyed everything and loved riding in the Helicopter. I wish I could share all my memories. Because he helped with some of my life lessons and the happiest times while in school. Got to meet and have lunch in Lakeland after my daughter was born, and she obviously new Uncle Jesse was a Great Man as he kept her smiling the whole time. He will remain in my Heart ❤️ always.
