“ *I have been pondering for days on something to say. You were a amazing person. We shared some great times growing up. You were always the same genuine person, no matter how long it had been since I seen you last. No mater where I was at the time(some times it was a dark place) you were always the same sweet person. God gain a sweet soul. I will see you again some day.*

“ *There are so many GREAT memories.. but she was so much fun her laugh was contagious. Jodi was so proud of her jeep. The last thing her n I done together was a thing in Daytona Beach @ speedway. We drove late night or early a.m. hours and her idea to take doors off & no top. Well the temperature dropped to almost freezing! So here I was wrapped like a mummy. When Jodi says it's cold then believe me it's cold! We got almost there next thing I hear her laughing so hard she had to pull over. Cuz she looked over at me in passenger seat showing nothing but my eyes & she lost it! We had fun and I wouldn't change that experience for nothing! R.I.P my sweetest Joho... I will see u again. Miss u & love u more. XOXO, Tarla*
