

Joel Eduardo Cardenas

July 4, 1997 - July 14, 2024

In Loving Memory of Joel Eduardo Cardenas, beloved son of Daniel E Cardenas and Veronica Cardenas and cherished brother to Brizeida, Baylen and Jabez Cardenas. Joel was a true Star Wars superfan and fought like a Jedi Warrior to the very end. He was taken from us far too soon due to complications from lung failure, leaving behind a void that can never be filled.

Joel was a force to be reckoned with, both in his battle against his illness and in his unwavering dedication to his loved ones. He approached every challenge with the courage and determination of a true Jedi, never allowing adversity to dampen his spirit. His resilience and strength were an inspiration to all who knew him.

Joel was captivated by the Star Wars saga and its teachings of honor, bravery, and the power of the Force. He embraced these ideals wholeheartedly and applied them to every aspect of his life. Like a Jedi, he possessed an unwavering sense of justice and fought tirelessly for what he believed in.

In addition to his Jedi-like qualities, Joel was a loving and compassionate young man. He had a heart as big as the galaxy and always went out of his way to help others. His kindness and generosity touched the lives of many, and his memory will forever live on in the hearts of those he impacted.

Our beloved Joel was a shining light in our lives, and his absence will be deeply felt by all who knew him. But let us remember him not for the sorrow of his loss, but for the joy he brought into our lives and the legacy he leaves behind.

May the Force be with you, our dear Joel Eduardo Cardenas. You have fought your battles with the strength and grace of a Jedi, and now it is time for you to rest. May you rest in the eternal embrace of the Force - our Lord Jesus Christ - and may your memory continue to inspire us all.

Rest in peace, our beloved Jedi warrior. You will be forever missed and never forgotten.
