“ *My father-in-law Jose was a great man! He was always so full of life and energy. He was such a thoughtful husband, father, grandfather and father-in-law. He welcomed me into the Ortiz family with open arms. I will never forget the kind words he spoke to me after my mother passed away. His wisdom was such a comfort to me in my time of need. He was truly so compassionate and caring. Jose deserves a much appreciated thank you for all the treasured qualities he invested in my husband William and his siblings. And I am even more thankful for the fact that his spirit lives on through my husband and children. It is because of his dedication to family and guidance that my husband has become the wonderful father that he is today. Once again, Words cannot ever adequately express how truly deeply sorry I am for your loss it was a great honor to have know such an extraordinary man!*
Forever in my heart,
Kelly

Met him through my brother Jose, who was Angelique's grandpa from her father's side. He was kind and a great friend to my brother. He treated him like family always. He will be remembered as the great man he was. My condolences to his family. My thoughts and prayers are with them.
