“ *Dr. Joe was not only my chiropractor,,he was a friend. I ended up having back surgery and Dr. Joe not only visited me in North Shore Hospital in Manhasset NY,,he also came to my house,,sat on the edge of the bed and we talked and laughed,,all the while he reassured me that I'd be OK. well,I was and Joe DEFINITELY had a lot to do with it. I knew he'd moved down to Florida and after a few years,,we lost touch. So,I looked him up and found that he'd passed. It was very hard for me to read that obituary. I,myself,am 62....and Joe was my Dr.in NY for 20 years. HE WAS A GREAT DR.,an even BETTER PAL,,and a cooler guy,,you'll never meet. Rest Easy,,Joe. I'm sorry I only found out now.*

“ I was so saddened to hear of Dr. Joe's passing. I worked the front desk at the Haines City Physicians Group with Dr Joe and the massage therapist. We spent many hours together a day. Dr Joe was always so kind and helpful. He was always very caring with our patients and the staff. We shared many conversations and laughs. Many about his Disney trips. Even years after I left, I would sometimes stop by the Winter Haven office to say hi to coworkers there. I worked at that office as well. Dr. Joe always made a point to come out to the lobby to say hi and give a hug. He was a really sweet and funny man. I am very sad to think I will not see him there again. Godspeed, Dr Joe.
