“ 45 minutes still feels fake to me. I feel like your on a trip. I keep in my mind that I saw you 45 minutes ago. Or that your working and will get home late. I keep your memory alive and that helps me not cry so much. I miss you with my every heart beat and breath. I talk to you on the ride to work and on the ride home. And sometimes in between. I just really want you back home. I miss you so much. I love you Adrian.

“ 44 months seems like an eternity I. I love you soooo much Adrian. I feel like im just stuck. I wish you were here to make me smile everyday and it be sincere instead of the fake smile I give occasionally. We all miss you. Im sure you hear us talking to you in silence and out loud. I just wish we can here you instead of making up what you would say. It hurts so much to not have you here. I guess we will walk with this pain till we meet again. Love mom

“ I love you so much Joseph, I cant stop wishing you were physically here, I feel like I loose you everyday. 43 months feel like 43 minutes ago. I cant shake this sadness of loosing you. Even when I laugh about our silly past, your childhood, teenage years and adult life memories. I smile every day on the outside but im physically broken on the inside. I just want you home. I still keep your light on 43 months later. I still wake up to look at cameras just hoping to see a glimpse or a shadow of you. I miss you so much son.

“ I love you so much Adrian. I miss seeing you open your gifts on Christmas like you were a toddler as an adult. I hope you liked your gifts. Today marks not only Christmas but 3.5 years that you closed your eyes forever. So much has changed since then and im so sad you weren't here to see. And things in glad you didn't see. Life would be so much easier if you were here. My heart wouldn't ache as much and you would be so happy and I will get to serve 6 plates for dinner instead of 5. I rwally miss you Joseph I'm still really angry that your not here and I know my behavior is noticeable but I really miss you son. I love you Merry Christmas.

Externally im ok with a new gift I recieved 38 months ago which is the ability to put on a fake smile. I miss you so much. My love for you has never and will never change. I want you home Joseph. I dont know how im physically here on earth. I want you home. I still look for you on everything and everyone. And I will never stop. I live you son more than words could ever describe.

I try to not cry as much but I keep asking God why. I beg him to bring you back. I see things that remind me of you and although its nice i get sad that its not you physically. I want to hug you Joseph. I want to laugh with you i want to hear your voice i want to tell you i love you face to face and hear you say yo te amo mami. It seems like every other day im writting to you but in reality its every month. We are on month 22 and it feels like just yesterday you were here but weird thing it feels like forever that i havent seen you. I talk to you every day several time a day in fact. People think im going crazy when they hear me talking and i say im talking to myself but in reality im conversating with you. I must confess that i feel angry that this world has not stopped because your not present in it. I just wish you were home. I wish i can hug you tell you i love you and how life has been even though i know your watching over us. I wish the saying it will get better over time were true. I wish we never had to endure this pain and this heart ache. I just miss you so much Adrian. i still look for you in the littlest things i think i will forever till my name is carved in stone. “ On your birthday we sing loud and with pride.
The tears today we will try to hide....
Your 26 now joseph we celebrate for you..
We eat, joke, and dance just like you would do...
Your presence is missed but your souls is still here.
Our hearts are broken but stories about you we love to hear.
The cake is placed, the song is sung and its time to make a wish.
Our wishes are the same this year Upon the candles that are lit
I'm sure the "wish you were here "by you and by us just seems to be a good fit..
I know your not alone papi for many good people now surround you.

“ We miss you so much Joseph. Our lives will never be the same. Our tears won't stop the heartache does not stop. We continue to wait for you to come through the door. We just can't get past the thought of you not here. Time doesn't wait but it feels like it's just standing still for dad and I. Your siblings miss and talk about you on a regular. I hope you hear our prayers and our thoughts. We love you so much son.

“ You have not left my mind since I heard the news !!! We used to wait together everyday for our little sisters and walk home and text every day on Kik, we rode the bus together and the only thing you would hear was the laughter coming from EVERYONE on the bus even our bus driver loved you !!! SO charismatic Your smile and laugh were infectious !!! You were gifted in school you were incredibly smart and of course a friend to all !!! You don't come by genuine people in this world often but Joseph was definitely one of those people ! You will always be in my mind and in my heart ❤️ guard your beautiful family boss I know you're one of heavens best angels without a doubt !! I'm praying peace into the hearts of all his family especially his mother 🌸

“ Tu repentina partida nos ha dejado un vacío en el pecho inexplicable. No hay palabras que puedan expresar el profundo dolor que sentimos en nuestros corazones. Eras un niño super especial, de buen corazón y buenos sentimientos. Siempre estabas ahí para ayudar a quien lo necesitara y es por eso que sabemos que tu más que nadie tenías ya el cielo ganado. Aquí siempre te vamos a extrañar por que aprendimos a vivir con tus locuras, con tu sonrisa, con tu alegría pero jamás nos imaginamos que teníamos que aprender a vivir sin ti. Desde donde estés cuida a tu familia, se su ángel guardián, por que ellos más que nadie necesitan ese consuelo. Te amo JoJo de mi corazón y siempre te amaré. Te nos fuiste muy pronto pero algún día nos volveremos a ver. Descansa en paz mi niño. Until we meet again...

“ *I miss you so much Joseph. It's so hard to share one memory of you when I have so many great ones. You were a light in the darkness, always smiling and laughing no matter what you were going through. You made sure everyone around you was laughing even if the joke was at your expense. Our lives will never be the same without you here with us but I know you will be watching over everyone and pranking us from heaven. I will love you and miss you until we meet again.*
