Juanita came into Brother David's life at a time when he really needed her, and she had him both feeling and looking better! She was just what he needed. Just what Dylan needed too. Absolutely perfect for them both. God brought her into their lives, and their lives were both enriched by her. I will meet her someday, I have no doubt. In the meantime. I hope her family knows how much this family cherished her for who she was: a caring, kind human being. Laura Blaesing

Wow here it is 3 years later and it still doesn't seem real looking at the life in her eyes. I miss her so much and think of her so often. I was honored to preach her funeral. She will live in my memories until my own eyes close in death. My big little sister.
