“ *I will miss the lunches and texts where the conversation always seem to center around football, imagine that. However the greatest thing that I'll miss is our friendship.*

“ *Justin was a good friend of mine for 10 years and I will miss him a lot. It was a lot of fun working with him and getting to know him. I am sorry he won't be around for the next 10 but I look forward to seeing him again when I transition from this life to the next.*
