“ *Mom was a very special person and we were all blessed to have had her as our family Matriarch. She could be very opinionated and quick tempered, but she also was quick to love and forget. She stood by her family through good times and bad, and was generous in her support. She had a very active brain and excelled at things like Sudoku - a talent I can't match. Most of all she was the greatest mom a man could ask for and I am really missing her.*

“ *My mom was a strong woman.. At times, she was stubborn, opinionated and an avid micro-manager. She was also a generous and loving person. I will miss her every day but will also be forever grateful that she was my Mom.*
