“ I miss you Keely girl. You have such a beautiful soul and i see it everyday in those you love. What i miss most is your smile. You were always wearing it and i'd give anything to see it just one more time. I won't ever forget how wonderful you were to me and how you kept my head up even when i thought i didn't need to. Even now when i think of you my day gets brighter. Thank you my angel for being there for me and everyone else. even through death. i love you Keely Rai.

“Kylie and Keely we are like two peas in a pod. My fishing buddy ,the girl I could laugh about anything with. Anytime I see a rainbow it's you, when it rains its you. I'm not going to say goodbye to you cuz you will always be with me in my heart and my soul. Keely Rai Oltmanns, you are my guardian angel. Dance the sky and fish the sea. Until I see you again best friend.

“That girl was one of a kind. She never had shoes on her feet. She hated cleaning but loved doing laundry so she could get the money her dad left in his pockets. She was always ready to go on an adventure. That girl could dance like no ones business. I miss you Keely Rai
