“ *I was wondering why Kenny hadn't posted anything on Facebook recently, thought I'd check his page and just today, Feb 14, 2022, find others speaking of him passing in an accident. My sympathy to Brian, his mother and Heidi. I worked with him at The Ledger many years ago. Im sorry for your loss. Know that he has his legs again, and hes no longer hurting. My thoughts and prayers are with you.*
