“ *Kim was a very special lady. Beautiful inside and out. She loved her family. I ran into Kim the end of July we hugged each other and talked a while. She told me all about her amazing grandson she said I know he is mine but he is beautiful. She was beaming talking about him. You will be missed my dear friend.*

“ *I've worked beside Kim for 10 years. We shared a lot during that time, happy as well as sad. But we were always there for each other. My first thought was always "wait until I tell Kim"! The office will never be the same without her plopping down her keyboard or sharpening her pencil when she got irritated with something or her funny, sarcastic remarks that made everyone laugh. Words can't say how much I will miss her. Rest In Peace my friend.*

“ I first met Kim when Dayla came over to my house for a sleepover. Kim came to pick her up and I mentioned that Dayla had a fight with one of the girls. Kim just laughed and said, “that’s Dayla”. We had a good laugh at the silliness of little girls. Over the years, when Dayla would get into trouble, Kim would always say, “that’s Dayla” and laugh, it became a secret joke between us. I really thought Kim was so cool and I loved the relaxed way she had with Dayla. It wasn’t until many years later when I had my first grandchild and I worried over a newborn being held by so many people that I realized Dayla was just like her mom. When we came to visit newborn Dane, Dayla just gave him to me to hold, she was so relaxed for a new mom. My heart is breaking for your loss, but I am hopeful that the new little girl that will soon be part of the family will be just like her mom and her Gigi. I hope this will bring you some peace. Love you, Lynn
