God Called Your Name So Softly
God called your name so softly
That only you could hear
And no-one heard the footsteps
Of angels drawing near.
It broke our hearts to lose you
But you did not go alone
For part of us went with you

The day God called you home.

John 14:27

Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid.

“ *Kim was a great friend to my family. Courtney and TJ Meeks and me their Mom. She was always there when Courtney reached out. They shared many days and nights with her and her kids. She always made us feel welcome because that's how she was. She helped me learn how to do thing on the computer and always answer our calls. They were friends for over 20 years . We all loved her very much. Our heart goes out to her children and family. She was very proud of her girls and we send hugs for you all. ❤️🙏❤️*

“ I was so sad to hear my beautiful angel left us. It took me a while to realize she won't ever answer her phone again... The silence is deafening. She got good news from her doctors, and she was happy to finally get good news.
She's such a good friend, my heart is so broken.
We're going to miss her forever ~
