*Oh Kim. I miss you, your laughter, your Love of your flowers, the Love you had for your children and your Faithful Husband, thats what started our friendship. We had so many things the same from our past.. Your homemade noodles in your chicken soup. Wish I could give ya another hug. Remembering your voice on the phone, especially when you called and said I'm home💔 I'm enjoying your flowers from across the street, but I miss you, and will forever call you my friend. Love you Kim
