

Landon L. Anderson

October 19, 1991 - September 2, 2019

Landon Langford Anderson 10/19/1991-09/02/2019

Memories cascade down reminding me of Landon and happier times. Landon was a very energetic little boy. Some of his favorite activities were playing Legos, transformers, toy cars and trains, trucks and a variety of other toys. Bath time was always a time of experiments. He loved to create formulas, and then actually mix shampoo, crème rinse, liquid soap and whatever else together to create concoctions which he would then want us to smell and pour in our hands, Bath and Body Works had not come into play yet. He loved to pretend shave with his dad. They would lather up and shave away.

Landon loved to play sword fight. His fencing partner was “Bucky” the goat that we had raised as a bottle-fed baby. Bucky used his horns as swords and Landon would use plastic swords or sticks. They would play for endless hours dueling together. Landon loved to go fishing. Shoot bb guns and hike through the woods. Youth soccer was a huge part of his world. Saturdays were busy playing games throughout the county. Landon learned to read at a young age. Because of wonderful teachers in his life he did very well in his studies.

Landon was a very good singer and sang in the Kathleen Senior High Chorus. He also sang with the KHS ensemble. Landon was a member of the KHS wrestling team. He did very well and enjoyed the sport. He received his high school varsity letter. He graduated from Lake Gibson High School. He loved paint ball. He was a very caring and loving person even at a young age.

One of Lardons major accomplishments was when he joined the United

States Navy. He completed basic training at Great Lakes, Chicago. He was selected as the Top Sailor Award Winner in his Basic class. This was out of over 800 recruits.

During his naval career, Landon traveled the world. To such destinations and Port of Calls such as Chile, Turkey, Brazil, Strait of Hormuz, Suez Canal, Egypt, Japan, Philippines, Thailand, Peru, southern seas and the Mediterranean. Landon was assigned the VFA 147, Striker Fighter Squadron which attached to the different fleets. The planes that were normally attached were F18 jets. The carriers that he was deployed to were; The George Bush, Ronald Reagan, Abraham Lincoln and the Stennis.

Landon was known to have a big and caring heart for others. He had a compassionate heart towards helping other individuals which included helping a homeless man get home in a distant state by buying him a bus ticket home. Another time he spent a night with another homeless person on the street to protect him. Landon gave witness to the fact that he knew Jesus, the way, the truth and the life. His soul was assured to live in eternity in heaven. We will see him again.

Brave soldier, You fought a Brave battle in many ways.

You will be missed by the survivors

But will inspire and encourage others to be witnesses to

Fight for the way, the truth and the life.

Landon is survived by his father and mother, Dave and Laura (Mosley)

Anderson and brothers Samuel Dawson Anderson, Derek and David

Anderson; wife Sylvia Ruth Anderson; sons Landon, Orion and Logan

Anderson; Grandparents Samuel Drexel Mosley and Aubry Jeannette Mosley.

A memorial service will take place on Monday, September 9, 2019 at 2:00 PM, at Bethel Baptist Church 3125 Socrum Loop Road in Lakeland.

“ *Landon was so special. We served together. He prayed for me several times even though he was hurting too. No greater expression of love for another. He always smiled and was quick to help anyone. I promise I will carry a piece of his light in me to help others. Rest Well Landon.*

“As Landon’s grandparents you are our heart, We loved you the first time we held you at birth. We loved a little blond headed boy who was always curious about everything. One time when you were ten, we took you fishing at okeechobee where we stayed at a hotel with a swimming pool & McDonalds across the street; in grandpa’s boat we caught fish everyday for 3 days. You told us one day, “grandpa it doesn’t get any better than this.” We were proud of your wrestling skills in high school, your ability to sing and your graduation. We were so proud to have a grandson in the United States Navy. Remember seeing you in your white uniform, standing at attention as the ship came into harbor in Jacksonville. We loved writing you letters & hearing from you while you were out to sea. We always looked forward to the times you were at home on leave. I always tried to cook you collard greens when you were home because I knew you loved them. The darkness & pain are gone now & you are at peace in the arms of Jesus. We will see you again one day & be together for eternity. You are Navy strong. With all our love. Grandpa & Grandma.

“ *You will be missed more then you will ever know Landon. Growing up with you was amazing and I have so many wonderful memories of the time we spent together as kids. I am praying for your family and all your friends to be able to find some type of peace knowing that you are no longer struggling with what life threw at you. May you rest easy now and become one of those beautiful Angels up there in Paradise. Love you buddy i am so glad i got to call you my friend.*

“Landon was like a brother to me. He and I both encouraged each other lately through our depression and mental illness struggles. He always around 10pm would send me a Facebook message to check up on me. I wish I had done the same. I'm going to miss him a lot but know that he is in Heaven with Jesus and his fight is over.
