“Debbie, Josh, and Jesse, my heart is broken but I am so lucky to have worked with Larry, meeting you before you guys were married, and being able to participate in the wedding. There was never a doubt about how much you guys loved each other.

I am so glad I was able to reconnect with you guys and visit. Josh, Jesse, your Dad is so proud of you two and your families. When we visited he always brought you two up.

He left us too soon but there is a plan, whether we agree or not.

There so many sorties of Larry's kindness and his huge smiles. We shared so many things when we worked together.

Larry, I, and Sheila will miss Larry and as I have through the years keep him and you Debbie in my thoughts.
