“ *Wally,*

Even though we have not seen each other or talked in several years, I want you to know it saddened me to read about your loss. I have great respect for you. I learned a lot about many things in '92 by watching and listening to you. You were my only True Union Brother. I read about your wife's dedication to God and missionary work and I pray God holds you and your family close during your time of grief.

With greatest respect and deepest sympathies,

Darrell Oelslager
