“ You’re heavy on my mind today Ms. Fuillerat, truly one of the kindest people I’ve ever met and one time I accidentally punched her in the face, why? Because she got me excited to do math and we were having a class competition. I raised my hand with extreme enthusiasm and my fist met her nose. She wasn’t upset at all, and I know it had to hurt. She left a lasting impression on me forever. Gone too soon.

“ My favorite memory with Lisa was going ATV riding with her my sister my dad and Lisa's dad In south Florida. Always seeking out the biggest mud puddles we could find and riding through them at top speed until we were covered in mud then riding straight into the lake to wash everything off. Miss and love you cousin.
