Yes she was. If I had been in heaven and picked out my mother myself. I could not of picked anyone better than my mother. Mom was gracious mom was selfless full of love. She was kind and it's not real to me that she's gone. I just can't believe that she's not here. She was a wonderful mother friend and she will always be in my heart and soul. I love you mom with all my heart and soul forever and ever
