“ *Brett, Bart , Brad & all your families,*

I loved your mom and will miss her so much. We didn't see each other as often as we would have liked but we each knew the other was there and it was a comfort & connection that is now gone but Glory to God, it will be there again when we all get "Home" some sweet day! I know your dad and mom & all the rest of the family will be waiting with open arms never to have to say "goodbye" again. Until then we will keep her in our hearts.

*Love to all,
Aunt Reba*
