“ *Dear Gayle, Gary,Debbie and Family, I am so incredibly sorry about Lori. Although, I haven't seen her in may years, my memories of her are vivid and special. Lori and Debbie were the first children to come over to welcome me after moving to Pine Road. I was a shy kid and Lori's fun and outgoing personality really put me at ease and we quickly became buddies, i remember endless summer days; running, playing on the swing set, swimming in your pool, and always laughing. I remember one time, Lori, Debbie, and I dressing up in costumes and putting on a show for the parents. We had many fun days together and it was a happy and idyllic time. Lori was a special person and I am so, so very sorry. You will all be in my thoughts and prayers.*
