“ *Louise and I were in the same training class at ICE and bonded initially as Canadians. We quickly became friends, and I am so grateful for that short time we knew one another. In that time, I found what a supportive and caring person she was, and what a beautiful, gentle soul. She will be greatly missed, and I send thoughts and preserve to her family and friends in this time of such sorrow.*

Sweet and wonderful Louise will never be forgotten. She was and is loved by many.

Particularly, I loved her more than words could say or actions could display.

I will forever cherrish and honor her.

Goodbye sweet and wonderful Louise Margarita, thank you for being my angel .

She knows. - April 01, 2016 at 03:03 PM
