“ Madi was more than a best friend — she was family. She had a way of making every room brighter, every laugh louder, and every moment feel special. With her kindness, humor, and endless love, she touched so many lives, especially mine. We shared memories that I will carry with me forever — the inside jokes, the late-night talks, the moments where just being together was enough. Madi had a gift for making people feel seen and loved, and that is something I'll never forget. Even though she's gone too soon, her spirit will always live on in the people who loved her. I'll honor her by holding onto the joy she gave me and by living life with the same love and laughter she carried in her heart.

Madi, I'll miss you every day, but I'll also carry you with me every day. Thank you for being my best friend, my sister in spirit, and my safe place. I love you always.
