“ I remember Mae as a very vibrant, funny beautiful lady. My Husband and I went to see her perform one night at a club, and when she sang, her voice was so magnificent. We are very good friends of her Daughter Donna, and were so sad to hear she had Alzheimer's Disease. It effects the whole family, and when you go to see her and she doesn't know who you are, that is so sad. I am so glad she is no longer suffering, and I am praying for the rest of her family, Louis, you were the best Husband ever, you were always by her side, God Bless you and the whole family. Just remember the good times and know she is in a much BETTER place. Love and God Bless you all. Wayne & Kelley Williams. ❤️❤️
