“ *Marcia was an awesome Mama and an amazing woman. I've known her since I was born, and when I had my own kiddos, she gave me a good bit of her mothering wisdom which I often used and credited to her. She was a loving mother, a hard-working and smart lady, and an excellent friend. She left a beautiful footprint and excellent ripples her on her too-short time on earth, and she will be greatly missed!*

“ Words can't express the sorrow I feel for your loss! Marcia was such a sweet lady whom I will never forget. She was so loving and kind and her love for her family was the first thing you heard from her every time you saw her. Her entire family was blessed beyond measure to have her in their lives. She was also very special to me and will forever be missed! Diane Fortner Jimenez
