“ *I'm sorry this is so late, and I'm very sorry for your loss. I was a physical therapist for Mrs Huston on many occasions. I really enjoyed working with her and I still have plants that she let me take from her front yard planted in my backyard. I can't look at them without thinking of her. I'll never forget how she fed her squirrels butter! She was a character and she will be missed. With sympathy, Barbara Duncan*
