“ *Margaret has been a part of my life for over 60 years. What a kind sweet soul she was. She was married to my brother and has a lovely daughter Lyn with him. Even tho they went their separate ways she never left our hearts. She was a smart, tough and beautiful woman who left our lives richer because she was here. I'll never forget her smile or her laugh when she was tickled. Go fly high Sis. You have your wings. Love Cynthia*

Margaret was a beautiful woman, in every way. She was loving, generous, and compassionate. She truly cared about people. Her smile would light up a room. She was a great friend to my mother, and I watched how she cared about people. She was selfless, always thinking of others first. She would give up her seat or her place in the room without even thinking about it to make room for someone else. She never shied away from helping others. She never forgot my wedding anniversary, every year would send a card. Loved her. miss her. The world needs more of her. Until I see you again. Forever thankful for your presence in my world. ❤️ Evie
