“ Mark was an amazing friend, and fraternity brother. We shared laughs, struggles, dreams and a bond that will be eternal.

His Pi Kappa Alpha brothers will think of Mark fondly, and smile often of the memories we forged together. We were blessed beyond measure to be his friend and will continue to share stories of this special man.

In the Bonds.

“ So many memories at Santa Fe High School, Mark as basketball scorekeeper, epic poker games, drinking beers at Kau Kau, through it all I could always count on Mark to have a big smile and a positive attitude. I never heard him complain about his medical situation one time, and I will always admire him for that. One of the best human beings I've ever known, I'm glad you're finally out of that chair. Love you brother!
