“ *I went to work for Mark in Architectural Services Polk County Schools in 2016 and we immediately bonded as Military Veterans and Bikers. It's been a real pleasure working for/with Mark over the years. More than that, over the years we became close friends and brothers. Sandy and I both have enjoyed our friendship with Mark and Tammy and family. This world will no doubt be a lesser place without Mark and his welcoming personality! We look forward to seeing our brother again in heaven.*

“ *My most sincere condolences to Mark's family. I had the privilege of working with Mark for many years at the School Board. He was highly regarded as a contentious and highly competent architectural draftsman. In addition, he was widely respected as a true gentleman with the highest standards of ethical and moral behavior. This world is a lesser place without Mark's smile. He will be missed. Bob Williams*

“ *Extending deepest sympathies and prayers for Mark and family. May God grant him eternal rest and peace and bless his beauty soul. I've known Mark since 1990 and was able to be with his wonderful family way back when their children were toddlers. I know for a fact that Mark has always been a very loving husband to his wife Tammy and wonderful father to his children. Mark has lived his life the fullest and always desired everything good for his family. He's truly a very wonderful and kind hearted man. He will be greatly missed. Sending all our love and hugs to Tammy and the children- God bless - Antoinette, Teddy and Tiffany*
