Tribute Wall

“ A a young child well into my teenage years mark and I spent alot of time together. As children we spent many hours playing in the dirt with toys, using our imaginations creating imaginary world scenarios. In our early teens we rode our bikes together almost every day riding everywhere. We rode many times from Columbus to Edinburgh, to Grammer or just around town. Many nights we would be out on our bikes until anywhere from 11 pm to sometimes 3 am. I know we drove our moms mad with worry but we loved riding our bikes so much it was hard to stop when it was time for bed. Growing up Mark was more than just my cousin, he was my best friend, most of my favorite childhood memories are of my time I spent with Mark. I know I have not seen or talked to him for many years but I have thought about him many times over the years. He will be greatly missed.
