“*Mary Kay was such and inspiration to me. I was so blessed to have loved and been loved by her for 50 years. She was beautiful inside and out. She was so admired by everyone that loved her and knew her. When you met her you never forgot her because she made a lasting impression on your heart. She was the kind, funny, caring, considerate and the most sincere person I have ever know. I miss her more that words can ever express. Thank you for loving me Mary Kay because of you I have been forever changed. I will treasure all of the memories of all of our times together and you will live in my heart forever. I will never forget you Mary Kay Bodine. You are such a blessing in all of our lives and I will miss your love and friendship so much. Now that you are in heaven I know you will watch over us from above.*”

“ *Dear Bruce, Amy and family, I was so sad to hear about Bruce's mom. This is never easy, no matter what the circumstances. All of us who have had such a loss know how this feels and it's very difficult. One of my favorite Bible verses: 1 Corinthians 2:9: No eye has seen, no ear has heard, no mind has conceived what God has prepared for those who love Him. My deepest sympathies in your loss.
