“ *Mama, I was blessed to be able to come help you at the ALF since daddy passed. It was a duty I gladly bore, for you did so much for me in my lifetime...taught me about manners, sewing, cooking, business protocols, banking, self care, mothering, and especially about God. I wasn't always the one that made good decisions but you always stood by me and helped me learn from mistakes. I still want to call you up and tell you things. Mama, I'm so thankful for you and I will grieve your loss until we are together again. You always are in my heart forever.*

I love you

Susanne
