“ *Matty, thank you for visiting me the Friday morning.
You were So pretty and free..
Debbie and I were just talking about you the night before then you
Surprised me with your visit.
You visited me as a Beautiful Red Bird landing on my truck mirror..
singing and looking at me telling me so many things..
I Admired you as I did when you were a very young man, So full of
happy confidence and vigor. We appreciate the time you spent with
us living, learning and laughing at silly things we all did.
Your talked about often, loved forever and missed every single day.
Your proud Aunt and Uncle..
Your Always Here With Us.
