“ *We are deeply saddened by Matt's passing and are praying for all in the family. I remember him as quiet, bright, athletic, and pleasant to be around as well as a good teammate in high school sports. lyrics:

Only One Choice Separates Us

*Too long, searching for meaning, only emptiness in the dark
But now purpose and direction, hope for a new start
With beauty and truth to guide, better days to come,
No more restless ambition, lacking direction as some*

*Are we lost here, placed against our will
What will we choose to keep our wandering hearts still
Like a daydream
More water reflecting
Tomorrow the horizon, with only you directing*

*This world is full of conflict
The cycle prevails
Eyes turning upward to Him, Him who will not fail*

*Only one choice separates us
One thing
One path up a mountain
No closer than
Forgiveness extended, by Him who wears a crown
For he has overcome, trust he won't let you down*

*This world is full of conflict
The cycle prevails
Eyes turning upward to Him, Him who will not fail*
