“ *When I think of Maxine I think of Faith, Family and Friends. She had faith in her Lord Jesus Christ. She loved Him with all her heart and she taught her family to have Faith. She loved her Family, especially her girls. She worked hard to provide for them and she treated them with respect. She loved her grandkids too and they all highly respected her. She had a lot of Friends because she was a true friend and a giver. She will be missed. Thank you Granny for all your love..you were awesome!*
