Should I lie or should I speak the truth God wants me to speak the truth and the truth is my father's wife two different times tried to get me to have sex with her when my father was having open heart surgery in Bartow Florida I told my grandmother that's the Thompson about it she wanted to put Pat in prison Avis was Pat's friend and she tried to say that I was lying so the original message I sent I would like to withdraw it this is not a Christian person
