“ *Morris, Brenda, Donny, and Sharon were my neighbors back when I was a little fellow in Columbia, Tennessee before moving to Florida and I can still remember Morris’s laugh like it was yesterday. I’m so sorry to hear of his passed, such a good man who I know is missed everyday. I hope someone in the family reads this and knows you are all in my prayers cause I know the pain you have suffered after loosing both my parents very close together. If you want to reach me my email is William_Guess@yahoo.com. Hope to hear from you guys!!!* ❤️

“ I was his neighbor when we lived in Mulberry and always thought of Morris as quiet and easy going person. He would always come out and play with us younger kids in the middle of the dirt road and would teach us how to play touch football! His guidance kept us on the right track as we grew up and I know he was that way with everyone that was fortunate to come in contact with him in later years. May he Rest In Peace now, for he has accomplished all that God has had him do here on Earth and God has taken him home! My sincere condolences to his family, who I know are saddened by his passing.

“ I've never had the pleasure of meeting Mr. Polk, but I work with Sharon, and our whole group thinks of him fondly and with amazement for his contributions to our Applications team. The cottage he built to house our cards, the amazing props he built for our first-place Halloween display... he was part of our group.

My hugs and prayers go out to your family; hoping you can find peace knowing he is Home and at peace himself.
