“ *I enjoyed the time that I had shared with pee wee in Ocala and rich Liam hunting behind those beagles. I was there when he got buck jitters on a nice buck in plain view on a open cutdown and to see the look on his face when he missed that buck. I am glad to know all of the family through hunting and good times around the camp fire. You will be missed by all your friends . You are at peace in Heaven now and one day we will see each other again my friend.*
