“ *From hospitality to community oriented; she was the most down to earth woman I'd ever worked for! She loved eating fruit popsicles with a giggle and loved to make others smile!*

“ *So sorry to hear of Pamela's passing. She will truly be missed. We had gotten 2 great cockers from her over the past 7 or 8 years and they both have been adorable and great companions.*

“ *My daughter Grace and I flew into Tampa and rented a car - 8 or 9 years ago. We drove to Pam's place to get our new Cocker Spaniel baby. Pam was a wonderful person. I am so sorry to hear about her passing. I am sure that she will be so missed by all of her family and friends. Love to you Pam, and to all of your family. <3*

“ I’m SO sorry to hear of Pam’s passing & I’m really going to miss her friendship. We met 3 & 1/2 years ago when we purchased our sweet Marley & texted or talked frequently. She loved seeing pictures & videos of him & we were together to enjoy two AKC dog shows in 2019 & 2021 in DeLand. She loved her dogs & was such a caring & responsible breeder. And she was so proud of her family. Rest In Peace, Pam. I bet Checkers is sure glad to see you. We’re going to miss you 🐾❤️🙏

I met this sweet lady when I purchased a cocker spaniel about 2 years ago. She brought so much joy to us especially my husband who fell in love with our doggie. The day he went to heaven he wanted to go home and see our cocker spaniel. She was just such a wonderful lady and I am so sorry for your loss. May God give you comfort. I loved seeing her joy on Facebook when she shared pictures of her fur babies.

“ Hard to have only one memory with my lifelong friend. Grew up together sharing everything even her big sister Connie. What fun always. Pam had the best sense of humor, was such an easy laugh and more wisdom. Common sense and outspoken opinions in her little finger than most have in their whole bodies. Pam never realized how gorgeous she was...an inspiration always for me to keep up with her beautiful platinum hair. Thanks for all the joy with all her dogs and puppies. I always called her a genius savant with dogs. She loved each and everyone of them and they all loved her back even more. I will miss all our times together and am so sad not to just be able to just pick up the phone and hear her voice and laughter. Love you always. See you soon Pammie.
