I am so very sorry to hear the news of Pam's passing. I met Pam the first day she posted a little for sale sign on her Villas III house. I called & asked if I could come stop by to see it and bring my little Schnauzer. Well she had a Schnoodle, Bailey, and she said yes, by all means. I ended up buying the house, and got a new friend too. Have been here since that day. Hadn't seen Pam much since she had moved away, and then came back to town. Unfortunately did not know she was ill. Again, please accept my condolences. My thoughts and prayers are with you.

I worked with Pam when we were meter readers with the city. She was a supportive workmate and a fun person. I was sad to see that she has passed. They say the good die young. I'll probably live to a thousand.
