“ *Patty was one of my dearest friends. We shared a house for a while and there was never a dull moment. I was blessed to be there to help her with her children when she needed it. Every year in Oct. we would call each other to say Happy Anniversary to each other in celebration of when we moved into that house. I'm going to miss her so much.* ”

I am Tamara

The world isn't a perfect place, but I didn't let the bad affect who I am on the inside. Though I've made mistakes in the past, I don't let any regrets bring me down. Everything I've been through has led me to this point in my life, and I am grateful for that.
